

OCTOBER IS WHITE CANE AWARENESS MONTH

Massachusetts' White Cane Law states that all motorists, whenever they see a pedestrian who uses a dog guide or a white cane at a street crossing, must come to a complete stop. Whoever violates this law can be ticketed by the police for a fine of between \$100 and \$500.

The white cane is a symbol of independence and blindness. International **White Cane Day is October 15.**

- Remember! Pedestrians who are legally blind always have the right of way at street crossings!!
- If you are another walker at the crossing, do not grab the person, cane or dog guide! Instead, ask if the person needs assistance.
- And, do not pet a Dog Guide. Dog Guides are working & should not be petted because it can be distracting for the dog.

The white cane in its simplest terms represents a tool by which blind and vision impaired people can lead independent lives.

Top 10 List of DON'Ts For Motorists When They See a Pedestrian Using a White Cane or Dog Guide at a Street Crossing

(Adapted from "*The Ten List of What Motorists Shouldn't Do When They See A Blind Person*" Hazard/Zelaya 1998)

10. **Don't** stop your car more than five feet from the crosswalk line.
9. **Don't** yell out "it's OK to cross".
8. **Don't** get impatient when waiting for pedestrian who is visually impaired to cross. If the pedestrian places the long cane into the street, it usually indicates he or she will begin a street crossing. If the cane traveler takes a step back & pulls back the cane from the curb, it usually indicates the person may not be crossing at that time.
7. **Don't** consider a "rolling" stop as a complete stop. A stop sign means STOP!
6. **Don't** turn right on red without coming to a full stop and looking for pedestrians. The Right on Red Law requires drivers to come to a **complete stop** prior to making right turn.
5. **Don't** fail to stop for pedestrians at all crosswalks whether or not there is a traffic signal or stop sign. Come to a full stop.
4. **Don't** stop your car in the middle of the crosswalk.
3. **Don't** pass another car, stopped, waiting for pedestrians to cross the street.
2. **Don't** wave to pedestrians who are using a white cane or dog guide to indicate that you are waiting for them to cross. They CANNOT see you.
1. **Don't** honk!
